areas of expertise

- Scholarly communication
- Open scholarship
- University management

work

- 2020-current **SENIOR CONSULTANT** *Research Consulting Limited, Nottingham, UK*
I work as a Senior Consultant at Research Consulting. My job is to provide expert support and independent advice on many matters related to higher education, including scholarly communication, skills and infrastructures for open scholarship, university management, research impact, research analytics and visualisations and more. I am an experienced project manager and have delivered a range of multi-stakeholder projects involving national and international organisations.
- 2016-2020 **CONSULTANT** *Research Consulting Limited, Nottingham, UK*

education

- 2020 **EXECUTIVE MASTER OF BUSINESS ADMINISTRATION (EMBA)** *Nottingham Business School, UK*
Thesis title: The impact of dynamic capabilities and market orientation on firm performance: a case study of higher education consulting firms
- 2016 **PHD IN CIVIL ENGINEERING** *University of Nottingham, UK*
Thesis title: Energy harvesting pavements using air convection
- 2014 **MSC IN NUCLEAR AND ENERGY ENGINEERING** *Politecnico di Torino, Italy*
Thesis title: Exergy analysis of energy production systems (arising from six months as a visiting research scholar at Virginia Tech, USA)
- 2011 **BSC IN ENERGY ENGINEERING** *Politecnico di Torino, Italy*

research experience

I have research experience in Italy, the USA and the UK. I co-authored a number of articles and you can find them on my [ORCID profile](#) or on my [personal website](#).
